## Around the Square

That battery of telephones in the office of the Edison Co. doesn't mean that Bob Green is running a bookie shop but just getting ready to answer the millions of questions that will be asked when the change-over from 50 to 60 cycles is under way.

Don Jackson suggests that instead of merchants paying two or three hundred dollars each a year for burglary insurance that they band together and hire a special patrolman for the store area.

The News Stand and Sam's store have made some improvements. The stand has replaced the booths and tables. The store has taken display windows, and the new doorway gives five feet of space at the front.

Mrs. Eddie Robertson, with their daughter, Vienna, Austria, Friessing, Miss Robertson, in Sofia, Bulgaria, and to Vienna and called to assure her parents that the trip was very satisfactory.

## Dailey Heads Red Cross Drive

Mr. C. Lewis, president of the Sierra Madre Chapter of Red Cross, has announced the appointment of Mark Dailey as the 1948 Fund Campaign Chairman.

MARK DAILEY

Mr. Dailey is making plans for the drive which will start approximately March 1st. Tentative plans are underway for the appointment of captains and workers and Mr. Dailey feels confident that the comparatively small quota will be reached without difficulty as it has been heretofore.

## LOCAL BANKERS ATTEND ANNUAL L. A. MEETING

R. C. Lewis, A. E. Morgan and D. H. Allen represented the Bank of Sierra Madre at the 21st annual meeting of the Independent Bankers Association of Southern California held in Los Angeles last night, which featured an address by Harry J. Harding, president of the First National Bank of Pleasanton and president of the Independent Bankers Association of Central California.

## Southern California Edison To Bring Local Area Up To National Standards

### DEDICATION

The public is invited to witness the ceremony in the City Park at 12:30 Sunday when the Boy Scouts dedicate the monument to the "Unknown Scout." The monument of stone has been built by the scouts and a member of the Explorer Post, and Rev. Carl Smith will officiate.

### THIRD GRADERS SEE OPERATION OF POST OFFICE

The third grade class of the grammar school, accompanied by their teacher, Dorothy Moote, visited the local post office recently, as part of their study of community life. Fred LaLone, of the post office, explained and demonstrated the cancellation machine and showed the pupils how incoming and outgoing mail is sorted. Postmaster Eddie Robertson had previously given each of the 36 students a blank post card which they addressed to themselves, and while visiting the post office, they saw them cancelled and received them as a souvenir of their trip.

## Collision On Boulevard Monday Eve.

An ambulance was called Monday evening to remove Boyd Bowman Keith to St. Luke Hospital following an accident near the Baldwin Ave.-Sierra Madre Blvd. corner Monday evening.

Boyd was going East on his motorcycle when Miss Colleen Lynch of 41 Perkins Drive, Arcadia, pulled her car, which was parked on the boulevard, out from the curb, apparently neither saw the other. They crashed in the street. Boyd was thrown to the pavement. Before the ambulance arrived he was given first aid by friends attending the Eastern Star dinner. He suffered from shock, was unconscious for a time. X-Ray showed no broken bones. He lost two teeth and suffered several bruises and cuts. His parents, Mr. and Mrs. Boyd Keith report that he is recovering nicely.

### A PRELUDE EVENT

The accident was the second unpleasant episode for Miss Lynch, a student at Immaculate Heart College in Hollywood within a week. Saturday evening when she was waiting for the P. E. car at Hermanos Ave. at Sierra Madre Blvd., in Pasadena, a man asked her to ride. She thanked him and refused. He drove around the block and returned firing a shot at her as he drove by. The P. E. car arrived about this time and he followed it into Sierra Madre up to Auburn Ave. The accoster has not been apprehended. A Filipino with a bolo knife and a gun holster was picked up but was not the man who had annoyed Miss Lynch.

### WORK OF CHANGE OVER STARTING IN NEAR FUTURE

The electric service in Sierra Madre and vicinity will be changed from the present 50-cycle current to 60-cycle current beginning March 17, according to an announcement by L. E. Jenkins, District Manager of the Southern California Edison Company. Sierra Madre is one of more than 360 communities comprising about 100,000 customers being changed to 60-cycle current during the frequency change program. Since September, 1946, the current has been changed in community after community by electric distribution lines, each of which serves from a few to several thousand homes, offices and businesses. Some lines serving communities near here have already been changed to the new frequency and the program will move along over Edison's entire 50-cycle territory until about a thousand distribution lines have been changed. The company plans to complete the program in October, 1948.

In preparation for the change here, adjustments are now being made in deep-well pumps and in some types of commercial, industrial, and office equipment. If any adjustments are necessary in domestic appliances, they will be made within a few days before or after the frequency is changed in each home, Jenkins said.

Since the frequency will be changed by feeders, which are distribution lines from the utility's substations, all customers connected to a given feeder will be changed simultaneously, while nearby customers may not receive 60-cycle current until a few days later if they are served by a different feeder. To prevent confusion, the Company will mail each customer an individual notice about ten days in advance of the change in his service.

Most domestic appliances are not affected by the change in frequency, Jenkins said, and many householders may not realize that the current has been changed. Home devices such as radios, toasters, vacuum cleaners, incandescent lights, and many others are not affected by the change. (Continued on page 5)

### JARVIS BARLOW WILL SPEAK AT ART MEETING

Of interest to Sierra Madre art life will be the lecture by Jarvis Barlow at the Pasadena Public Library, Wednesday, February 11th at 8 P. M. He will speak on "Ideas on Contemporary Art."

Mr. Barlow spent his boyhood in Sierra Madre on the Barlow estate of his parents, Dr. and Mrs. Barlow. The property is now Mt. Alverno of the Sisters of St. Francis, 675 W. Highland. Mr. Barlow until recently was director of the Pasadena Art Institute.

Having just returned from the Navajo country in Arizona, Mr. Barlow will talk on the present day Indian Art as well as discussing his trip of last summer which included most of the United States museums.

### VACATION TRIP FROM ENGLAND

"The Lester A. Fennels of Buckinghamshire, England, expect to make a trip to Southern California this summer," remarked Mrs. E. H. Fennel of Pasadena in speaking of her son. Mr. Fennel claims the Wistaria Vine as his boyhood home. He with his parents lived there for more than 20 years.

## Tri-City Mayors Meeting On Newly Opened Sites

Mayor J. Milton Steinberger, left, of Sierra Madre; Mayor Reuel B. Brown, Monrovia; and Mayor M. H. Ormsby, Arcadia, shown at the common boundary between Sierra Madre and Arcadia. The mayors are pictured at the civic program marking the ground-breaking and opening of the subdivision, Santa Anita Highlands, the last large parcel of the old E. J. (Lucky) Baldwin Rancho Santa Anita. The 900-acre tract lies in Sierra Madre, Arcadia, and Monrovia. The Monrovia boundary is in the distant background.

## LIONS INAUGURATE LINCOLNIAN ESSAY CONTEST THIS WEEK FOR GRAMMAR SCHOOL AGE CHILDREN

The Sierra Madre Lions Club, believing that there is much talent among children of the grammar school age and that most Americans look to Abraham Lincoln as a guide for right living and an example of true Americanism, the board of governors offer a cash prize of \$10 and a second of \$5 for the best original essay on Abraham Lincoln.

The essay is not to be of more than 50 words written by any child in the city of grammar school age.

The club asks that the project be wholly a junior effort and that parents, teachers and guar-

dians see to it that the children's efforts be entirely their own.

All manuscripts are to be in the Sierra Madre News office on or before February 10th, 1948. There will be three judges: Ray W. Macy of the Lions Club, Clifford C. Ward, publisher, and Dr. Arthur O. Pritchard. The decision of the judges will be final and all manuscripts will be the property of the Lions Club.

Announcement of the winners and presentation of the awards will be made at the February 12th (Lincoln's Birthday) Lions meeting.

### GOOD SAMARITANS ARRIVE TOO LATE

Police Officer Art Udell, on duty the night of the Hines shooting fray, called upon Fred LaLone and Jack Butler, both popular postal employees, and asked them if they would act as blood donors in an attempt to save the life of the bullet-ridden woman. Both agreed and made a hasty journey to St. Luke's Hospital.

But they arrived too late. Mrs. Hines died just prior to their reaching the hospital.

### NAVY MAN FROM KEY WEST ON LEAVE

William Mackie, GM 2-c stationed in Key West, Florida, surprised his family when he arrived unexpectedly last week for 30 days' leave. His wife, Betty Mackie, and three sons, live with her parents, Mr. and Mrs. Peter P. Thill, 59 East Grandview. Jerome Thill was home for Sunday from Sawtelle Hospital.

### COURT OF HONOR

The Court of Honor Boy Scouts of America will be held in Sierra Madre next Monday night at 7:30 in the School Auditorium. This ceremony is open to the public and scout parents are particularly urged to attend.

## Green Bail Set at \$5000 In Burglary

Joseph H. Green, arrested last week on a suspicion of burglary charge, has made restitution of \$3.00 allegedly taken from the H. R. McCrum home, 480 East Highland, and \$5.00 to Walter Nollac, 507 East Grandview, and is charged with two counts of burglary. A warrant was issued by Justice John A. H. Sturgeon of Monrovia, with bail of \$5000. Preliminary hearing has been set for February 6 at 2 p. m. in the Monrovia Justice Court.

Another member of the magazine subscription crew, Boyd M. Drinker of Detroit, was taken into custody by Monrovia police and brought to the Sierra Madre jail for questioning regarding an electric waffle iron found by Mrs. Maybelle Barker in her front yard at 233 Ramona, Sierra Madre.

Green, a member of the periodical crew, said that Drinker had taken a waffle iron from a Sierra Madre home and hidden it, planning to pick it up later for pawning. Drinker denied the accusation but under further questioning stated he was psychic. When asked to tell where the waffle iron came from he stated it came from a house in Sierra Madre, two story, white in color, about 50 years old with a canvas chair and wicker chair on the front porch. He took the iron from beside the gas stove in the house and hid it in an orange orchard.

The description given by Green, fitted the house of Mrs. Barker, in whose front yard, under a cactus plant, the iron was found. However the waffle did not come from this house and was not found in an orange orchard.

Drinker later repudiated the statement explaining he was using his imagination, as he thought that was what he was wanted to do.

## LOCAL COMEDIAN SINGS AT CIVIC AUDITORIUM SAT.

Don Miller, local pantomime comedian is gaining rapidly in popularity. He will appear with the Policemen's Relief Show at the Pasadena Civic Auditorium, Saturday night, and will do imitations of Eddie Cantor and Al Jolson. Last Thursday evening he performed for the PTA at Willard School, Pasadena.

## DOORS OF LOCAL THEATRE OPENED BY FORCE SATURDAY

The big double doors at the rear of the Sierra Madre Theatre were forced open by taking the pins from the hinges some time between midnight Saturday and Sunday morning.

Harold Stein, owner, states that apparently nothing was missing from inside the building.

### PRIVATE HOMES REPORT ENTRIES

Two more homes having been entered by prowlers have been reported to the police.

Mrs. R. O. Perry, 62 Olive, three doors left open which had been locked from the inside.

Mrs. Summers, at 671 Orange Grove, reported her home had been entered and doors left open and a dollar bill missing from the top of a dresser.

## POSSIBILITY OF FIRST DEGREE MURDER CHARGE LOOMS FOR FRED HINES

FUNERAL SERVICE CONDUCTED IN NEVADA FOR BULLET VICTIM

By MARJORIE BARTER

A preliminary hearing for Frederick Morris Hines, 33, on charges of homicide will be held within the week in Monrovia Township Justice Court following the decision at Tuesday's inquest when a County Coroner's jury found that Margaret Virginia Hines, 36, former News Stand employee, had died of wounds inflicted by a gun in the hands of her husband following an argument over marital difficulties.

The shooting took place about 7 o'clock last Thursday night in the Malt Shop at 44 North Baldwin when Hines pumped five 25 caliber slugs into his wife's back, narrowly missing employees and customers who scrambled and crawled to safety.

### HINES TESTIFIES

Hines, visibly shaken and almost weeping, took the stand briefly Tuesday to identify himself. Asked by Deputy Coroner

## School Board To Hold Open Session

The next regular meeting of the Sierra Madre School Board will be held in the cafeteria of the school Wednesday, February 11, at 8:00 P. M. The meeting will be open to those interested in the school housing situation and the board is anxious to have an expression of public opinion at that time.

## TED VELASQUEZ EARNS COLLEGE SCHOLARSHIP

Ted Velasquez was one out of 13 Pasadena City College students to be awarded a scholarship at a special ceremony held in the College social hall.

Mrs. M. S. Templeton, who presided as the chairman of the scholarship committee, explained that the achievement grants have been given in behalf of local individuals and civic clubs to students whose grade records and plans for the future warrant encouragement to help them to complete their education.

Ted is the son of Mr. and Mrs. John Velasquez of 199 Grove.

## Mrs. Mattice Struck by Car Saturday

Mrs. Ida Mattice, aged 62, residing at 38 North Auburn, was struck by an auto at the crosswalk on Sierra Madre Blvd. and Auburn at approximately five o'clock Saturday afternoon and suffered serious injuries.

She was taken on a stretcher to the office of Dr. M. H. A. Peterson where she was given emergency treatment and Dr. Peterson arranged to have her taken immediately to St. Luke hospital where it was found she had received crushing injuries to both knees with fractures into the knee joints, a fractured pelvis, sprained neck and shoulders and severe bruises.

The driver of the car which struck her was David Llewellyn Humphreys, aged 80 years, of Santa Rosa, Calif., who was visiting his son, Harry C. Humphreys, at 430 E. Montecito.

Mrs. Mattice was crossing Sierra Madre Blvd. going north from the Safeway Store with an armful of groceries, and states she was in the painted zone for pedestrian crossing and saw a car coming from the west and thought she had plenty of time to cross but her attention was drawn to a car coming fast from the east and looked up only as the car from the west struck her.

MARGARET HINES

E. O. Lenox if he wanted to make a statement, the slight, dark-haired man slumped in his chair and said faintly: "I haven't got any more to say."

However, Sgt. Everett Teel, deputy sheriff in the homicide division, testified that in a statement made the night of the slaying Hines said he remembered firing one shot. When asked then if he had killed his wife, Teel testified that Hines said, "Yes, I guess I did and I know it."

In a statement made in the County Jail Monday, Hines is reported by Teel to have said that he wanted "to scare her in." (Continued on page 2)

## WAR AUTHOR TO SPEAK AT LUNCH MEETING WEDNESDAY

John Kenfield Morley will be the guest speaker at the Woman's Club meeting February 11th. Mr. Morley has been a correspondent in Berlin, Paris, Moscow and Pearl Harbor. He served as a Lieutenant. Col. during the war in the War Security Commission. He headed a staff of 850 spy detectives and was instrumental in the control of careless talk. He was FBI trained.

Mr. Morley is author of "Foreign Spies at Work" and "Out of the Shadows."

The lecture will be given at 11 A. M. with a luncheon for members and guests following.

## PETTY THIEVERY AFTER BREAKING INTO CAFETERIA

Richard Pendergast, janitor at the Sierra Madre School reports the cafeteria was entered Saturday night and considerable food taken.

Entry was made by breaking glass in window after cutting the screen. The pantry was pilfered after breaking glass and reaching through to unlatch the door from inside. The hole is said to be too small for an adult to reach through.

## POSSIBLE FIRST DEGREE

Indications that the unemployed, ex-merchant marine seaman would be charged with murder in the first degree came to light yesterday when Leslie Milfeld, Alhambra used car dealer and employer of Hines' brother, Carl, told a NEWS reporter that he had been informed that he would be called on to testify at the preliminary hearing.

Milfeld said that on January 27, two days before the shooting, Frederick Hines had tried to purchase a gun from him. When he asked him why he wanted it, Hines replied, "to shoot my wife," Milfeld said.

Milfeld said he had reported the incident to Alhambra police. Sierra Madre police records disclose that Alhambra police telephoned the information to the local station and were advised to contact Pasadena regarding a

Street, in Los Angeles near the Alhambra boundary. DIVORCE PENDING

Thursday's tragedy, first homicide in the city since 1926, followed a session in L. A. divorce courts where Mrs. Hines was seeking custody of the children.

According to inquest testimony she came to Sierra Madre to meet Mr. and Mrs. Wilbert Smith, 2548 Peek Road, Monrovia, with whom she had been staying for the past six days. She went into the Malt Shop where Mrs. Pauline Holdren, sister-in-law of the proprietor, served her. According to Mrs. Holdren, Hines entered the shop about ten minutes later, sat down with his wife and began an intent low-voiced discussion. After about 20 minutes they left the place together. Mrs. Holdren testified, but in about five minutes the door opened and Mrs. Hines darted in with Hines after her. At the first flash of fire from the gun in his hand, Mrs. Holdren ducked down and crawled under a booth at the

complaint that might have been filed against Hines.

A misdemeanor complaint actually had been filed in Pasadena on Tuesday but the warrant had not been served at the time of the shooting.

By a quirk of fate, Hines was in the Sierra Madre Police Dept. only a few days before the shooting to discuss an accident in which he had been involved. A call came from the News Stand where his wife had been employed, telling police that there was a warrant for him. A check was made with Pasadena police who are reported to have said there was nothing on which to hold Hines.

As witnesses took their turns on the stand in Tuesday's inquest, funeral services were conducted in Reno, Nevada, for the young brunette mother of two. Her body had been accompanied there, where her mother resides, by Carl Hines.

The two children whose custody played a primary part in the circumstances leading up to the shooting, will remain in California. Janice Lee, 2½, is boarding in a Sierra Madre home, while Vaughn, 11 months, is in the care of Hines' mother, Mrs. Maud Hines, 4410 Lowell

side. She said she heard Mrs. Hines cry, "Don't, don't!" as she staggered toward the counter and then fell.

She said Hines laid the gun on the counter and bent over his wife, crying, "I did this for the babies!"

Arthur Passage, another witness, who was seated at the far end of the counter with Miss Jean Ward, 128 North Baldwin, turned in the call for police after the fray.

## BY-STANDERS

Proprietor Fred Goebel was out of the store at the time of the shooting, but Mrs. Goebel and another sister, Mrs. Laura Ludwig, were forced to scramble for safety behind the counter.

## KIWANIS GROUPS DISCUSS YEAR'S YOUTH PROGRAM

Three committees met at the home of Emile Smith, 249 Wilson, Thursday evening, to discuss activities for the year. Emile Smith headed the Boys and Girls Committee with John Rasmussen, Bill Mooney, Bill Bodley and Don Jackson. Jack Kinsey was unable to attend because of illness. Mr. Kinsey is also chairman of the Sponsored Youth Organizations, with Gale Hersey, John Rasmussen, Russell Garland, Dick Lees and Bob Green. Dr. Phillip Woodworth headed the Underprivileged Children committee with Harry Lange, Tony Loomis, Noren Eaton and Charles Skutt.

## STUDENTS GIVE WELL PLANNED MUSICAL SUN.

A recital was given Sunday evening by pupils of Mrs. George B. Morgridge in her home, 19 West Orange Grove. Co-hostess was Mrs. Adolph Eitner. Participating were: Joseph Capps, Jr., playing "Malaguena," and "Andalusia," by Lecuena, and Chopin's "Etude No. 24"; Jimmy Rizer offering Grieg's "Morning," and "Hall of the Mountain King"; Adolph Eitner, the Beethoven and Mozart "Minuet in G"; Richard Duntley's Liszt's "Waltz in A Flat"; Ann Wilcox, Debussy's "Engulfed Cathedral," and the Pachelbel "G Minor Gavotte"; Sallie James Reinhold's "C Sharp Minor Impromptu."

ter when the shooting began, but his fellow employee, Lee Shelley of Burbank, was pinned to a stool when Mrs. Hines fell against him.

Police Officer Bill Chunn arrived almost immediately in response to a radio call and handcuffed Hines. Officer Heasley and Chief McMillan came in and carried Hines to a car, taking him to the local jail to await officers of the homicide division of the County sheriff's office.

Attended by Dr. M. H. A. Peterson and Dr. Frank Anderson, Mrs. Hines was removed to St. Luke's Hospital where she died at 8:34 p.m.

After a preliminary statement, Hines was taken to the Los Angeles County Jail.

## Maltby Home Goal For Winter Guests

The C. Lauren Maltby home, 120 Lowell, has been a mecca for family reunions lately. Mr. and Mrs. George Schultz, of Chelan, Washington, spent four days here last week. Mr. Schultz is a brother of Mrs. Maltby, and they have not seen each other for seven years. Ed Schultz, another brother and wife, also of Chelan, will be guests during the month of February. Mr. Schultz recently purchased the lot next door to the Maltbys, and plans to build.

Sunday, Mrs. Maltby's sister, Mrs. Ina Ohnisk, flew down from her Seattle home for a short stay. Mrs. Ohnisk and husband spent 20 years in Manila, and during the last war were interned by the Japanese for over four years.

Mr. Ohnisk is vice-president of Merman Incorporated, one of the first gold mining companies in the Philippines and he is continuing his work there.

## CONSENSO GUESTS AT SMITH HOME

The Consenso of the Congregational Church met at the home of Mrs. Carl Smith, 101 Bonita, last week. Co-hostess was Mrs. Florence Wilhelm. There will be a joint meeting with the Women's Society, February 24, when Jane Johnson, UCLA co-ed will speak. Miss Johnson was one of five young people sent to the International Youth Conference last year.

## VISIT MOTHER IN SIERRA MADRE

Mr. and Mrs. William Moreley of Portland, Oregon, are visiting Mr. Moreley's mother, Mrs. Elizabeth Moreley who lives at Marion Vannier's "House in the Orange Grove." Mr. and Mrs. Moreley are staying at the Sierra Madre Hotel and are taking in the sights of Southern Calif.

## FIRE FLAMES

What with a murder, robberies, burglaries, prowling, and what not, passing thru the files of the Sierra Madre Police Department, we as fire fighters must more and more realize our very good fortune with few fire calls. Whether some of our old timers want to realize it or not, our little village is no longer that little quiet town of 2000 as some of them are inclined to see it. Think of it—the population will now reach into the 6500 mark and still growing. While we are thinking about it let's do a little preparing for it. Our constant efforts to prevent fire cannot be lessened in the least. Residents are required to work just as conscientiously at this struggle as any of the fire fighters. If we are to continue to save the taxpayers the cost of a professional fire department, then every resident is obliged to help. All fire hazards are to be removed. You MUST be fire-conscious. We just hafta work together to avoid fire. If we cannot afford to maintain a fire department then we cannot impose such a great responsibility on the few men of the fire fighting work without giving every assistance possible. We, as fire fighters, are mighty proud of the record of past years and fear the time that it will be broken. As the town grows, so must our efforts to prevent fire be strengthened. Most fires are caused by carelessness. Carelessness means slovenliness in our house-keeping.

Piles of unnecessary rubbish are and always have been a menace. Rags about the place can cause fire. Matches where children can reach them are very dangerous. Matches left where rodents may gnaw at them is worse. Matches used near waste baskets that are inflammable is a common point of contact. Smoking while reading in bed is a wicked offense. This has been blamed for many hotel fires. Mattresses are a source of great danger. If all folks can fall asleep as suddenly as his ribs, then there is MUCH danger of smoking while in bed. (I can fall asleep in a comfortable chair just as easily, and upholstery is also a fine place for a cigarette to drop and cause fire. (So, maybe smoking in bed is not so good, maybe he had best not do it. The men of your fire department are so anxious and serious about this matter that we are actually begging folks of the town to STOP, LOOK and LISTEN. Please be careful. DO NOT BE OFFENDED when suggestions of fire safety are offered. We are very hopeful for another successful year to follow last year.

The men who comprise the fire department have much fun being fire fighters. There is no

doubt about it. Our capers at meetings help to make the job pleasurable. Our trips together weid our friendships. Our parties together get us better acquainted with each other. A fire fighter of Sierra Madre is not in the service long before the other fellows know a lot of things about him. We at least learn not to talk too much about what happens. And that's somepin'. We have now come to an agreement that we had better be letting the wives in on some of this Cuss Can fun or else. Therefore a party is in the making and when we meet next time, the committees had better have matters planned. The wives are figuring with their figures. (Get it?). Because January had three Fridays, three weeks expire between meetings. There will be no gathering this week. The next

will be Friday, the 13th. The committees will be lucky to have things prepared.

And now it is time to return to fire prevention. If there is burning to do about the yard and there is doubt about the safety why not pass the buck to

us and let us take the responsibility. Call the fire department for an inspection of your incinerator, or your place of burning. If we work together, we can certainly repeat the low fire loss of last year. And to repeat means to keep the FIRES OUT.

**BALLING BABY TALK**

By MAXINE BALLING  
THAT POOR OLD FRUSTRATED WEATHERMAN has been predicting the wrong kind of showers. He should be predicting BABY SHOWERS. Honestly, I've never seen anything like it. Seems like EVERYBODY is planning to have a baby next spring. Of course that's wonderful for the Balling Baby Shop... and we're well prepared for showers. We can suggest gifts to fit the price... everything from a 29c rattle to a deluxe bathing table for \$19.95 with light aluminum frame, and foot pedal to raise the table part so you can hold baby with both hands.

LOTS OF CUSTOMERS come in and tell us about how much they would like to spend for a shower gift, and we are always glad to suggest a number of things. Blankets are popular because they make such a nice big package. We have cotton ones for 3.50 and 3.95, and wool ones for 5.95 to 7.95. Rayon saques are nice. The long ones are 6.95, short ones 4.95. Bonnets to match are 2.95. Booties 1.95.

HAND CROCHETED SWEATERS make lovely shower gifts. They're 3.95 and 4.95. Quilted bunnings with zippers are 5.95.

MADEIRA DRESSES with Philippine embroidery have been hard to get but we have them now, some with collars, 3.95. Or how about a carriage pad... or shirts... diapers... knit gowns... knit kimonas... bath towels... wrapping blankets... granite or aluminum sterilizers... snapshot albums with place for to write records underneath the pictures.

WE HAVE SIX DIFFERENT KINDS OF BABY BOOKS that tell all about what to do if you've never had a baby before... just like the book that comes with a new car... pictures and diagrams and everything.

YEP, there may be a drought in California, but showers start every day at the BALLING BABY SHOP... 401 1/2 South Myrtle Avenue, Monrovia. And we wrap your purchases for gifts... gratis.

**IMPORTANT CAMP FIRE LUNCHEON MEET SCHEDULED**

Leaders of Camp Fire Girl groups in town, will hold a meeting at the home of Mrs. Everett Carver, 527 East Montecito, February 4. Guests will include Elenora Larkin, executive director of the Pasadena Camp Fire office; Mrs. Shirley Keene, also of the Pasadena office; and Eldora DeMotts, national field adviser of Region five.

They will meet at 10 A. M., followed by a luncheon. Discussion will center around the annual spring or "birthday" program, and whether the Sierra Madre Camp Fire groups should become independent of Pasadena.

ANYONE in the United States who has a telephone in the house is in direct contact with practically every civilized spot in the world. His telephone is tied in with more than 55,000,000 other instruments scattered throughout the globe, and the number is growing fast.

In the United States more new telephones were installed last year than in any twelve months in the history of the industry—and still the demand for more and more telephones is greater than ever.

Your telephone company is bending every effort to bring service to all who desire it as quickly as possible.

**CONSTRUCTION DOLLARS...**

In 1947 we spent over a million dollars for additions to our plant to meet the public demand for more and better service. In 1948 we will spend another million.

This money does not come from telephone bills but from investors who require a fair return. This means that telephone rates must be sufficient to provide earnings that will attract these new construction dollars.

## Editorial

Sierra Madre is changing. It is getting to be a big town with a big town's problems and responsibilities and these responsibilities must be faced.

As the News in an editorial January 1st called attention to the need of additional police it seems borne out by the tragic events since; three ambulance calls within a week numerous robberies, a police log bulging with calls.

A News reporter at the scene of the automobile-motorcycle accident Monday evening noticed that Officer Chunn had more than one human could manage. Put yourself in his place; how could you have taken care of an unconscious victim on the pavement, check the details of the accident before the other car departed; call for the doctor, call the ambulance; make an opening for traffic to pass, straighten out a traffic jam, boy running in front of car narrowly escaping another catastrophe and probably other details of which we have no knowledge. A second officer would have been a god-send.

Shall we wait until a tragedy brings home the realization that a city rapidly increasing in population cannot get along with a small police force that in years past has been sufficient?

the change, while most refrigerators and washing machines also are not affected, except that they will run slightly faster on 60 cycles. The increased speed is desirable in most washing machines, Jenkins said, because it improves the washing action and enables the housewife to finish her work sooner.

Those appliances that do require adjustments, such as record players, automatic washing machines, and a few models of refrigerators, will be adjusted in the home by the California Electric and Maintenance Company, which has been engaged by Edison to do this work on its entire 50-cycle system.

Survey crews are calling now at homes here and attaching small tags to appliances that require adjustment, as information to the householders and as guides to the conversion crews. The conversion crews will call at homes where adjustments are necessary a few days before or after the current is changed and will make necessary adjustments at Edison's expense, Jenkins said.

Because every 50-cycle clock and timing device will run faster on 60-cycle current, a special plan has been developed to handle the multitude of such items in this region. Permanently-installed timing devices, including those on cooking ranges, will be adjusted in the home or place of business by the California Electric Service Stations. Edison's system-wide contractor for clock adjustments. Small portable clocks should be brought into the Company's clock depot, where they will be accepted for cycle-changing at Edison's expense or exchanged for new 60-cycle models at low exchange costs. Jenkins said that information about the clock depot's location and opening and closing dates will be released soon.

The Edison Company's change from 50 to 60 cycles has been considered for several years and is being conducted now to provide its customers with the same electrical frequency that has become the national standard. The change will bring the benefits of mass production and standardization to Edison customers, and has been universally welcomed throughout the Edison system.

## Guadalajara Group Entertained With Mexican Dinner

Mr. and Mrs. Remington Stone, 321 Grandview, were hosts at a dinner party Sunday honoring Mrs. Stone's father, Dr. George E. Purnell of Guadalajara, Mexico, who is visiting them. Guests, old friends for-

merly of Guadalajara, were served a Mexican dinner: Mr. and Mrs. Fred Krieghoff of Glendale, and niece Paquita, of El Salvador; Sid French, of Glendale; Mr. and Mrs. Thomas Lathe, of this city; Lady Margaret Sharp, of Los Angeles and Dr. Rufus Hooker, also of Los Angeles. Dr. Hooker has been in the Navy 30 years, and in both wars. He is the author of "Ship's Doctor," a book written from his experiences.

♦ Mrs. Frances Sparger, of San Marino, was a week end guest of Mr. and Mrs. William Sparger, 214 North Adams.

## RISE STEVENS TO SING TITLE ROLE IN 'CARMEN'

Bizet's "Carmen," the tale of the cigarette girl of Seville and her two lovers, one a soldier and the other a treader, will be the 13th Metropolitan Opera broadcast. Saturday, Rise Stevens, American mezzo-soprano, will sing the title role, and Ramon Vinay will be Don Jose. Both artists will be heard for the first time this season on the broadcasts. Martial Singher will sing Escamillo and Nadine Conner will be Micaela. Wilfred Pelletier makes his season's bow as conductor. With its "Seguidilla," "Habanera," "Toreador Song" and "Flower Song," this opera is one of the most tuneful works in operatic repertoire, and has held its place since its first performance in Paris, on March 3, 1875.

Ernest Ansermet, Swiss conductor, will complete his series of four concerts as guest director of the NBC Symphony Orchestra, with the suite from Stravinsky's "Petrouchka." He introduced this music to this country in 1916 when he was here as musical director of the Diaghilev Ballet starring Nijinsky. The program also will include another modern work, "Gigues," by Debussy, and Mozart's familiar "Symphony in G Minor."

THURSDAY, FEBRUARY 5  
(4:00-5:00 PM KFAC) Schumann's "Symphony in B Flat Major," "Spring," also Tchaikovsky's "Capriccio Italien," and Debussy's "Fugue for Eighteen Violins."  
(8:00-10:00 PM KFAC) Lubo-schutz and Nemenoff, duo-pianists, offer "Variations on a Theme of Beethoven" by Saint-Saens, Chopin's "Rondo" and Mendelssohn's "Allegro Brillant."

FRIDAY, FEBRUARY 6  
(4:00-5:00 PM KFAC) Haydn's "Toy Symphony."

(8:00-10:00 PM KFAC) Stravinsky's "Symphony in Three Movements." Artur Rubenstein, pianist, offers Tchaikovsky's "B Flat Minor Concerto." Also Richard Strauss' delightful "Der Rosenkavalier Suite."

SATURDAY, FEBRUARY 7  
(11:00-2:00 PM KECA) "Carmen."

(2:00-3:00 PM KNX) Eugene Ozmady conducts the Philadelphia Orchestra in the "Sixth Symphony in B Minor," the "Pathetique." Also the overture to the opera "Colas Breugnot," by Kablaevsky. Although this opera, completed in 1937, has not been heard in the United States, the energetic overture has received frequent symphonic performances since its introduction in 1943.

(3:30-4:30 PM KFI) Ansermet and the NBC Symphony.  
(4:00-5:00 PM KFAC) Mousorgsky's dynamic "A Night on Bare Mountain."

(8:00-10:00 PM KFAC) Mozart's complete opera, "The Magic Flute," as played by Beecham and the Berlin Philharmonic Orchestra and Chorus.

SUNDAY, FEBRUARY 8  
(6:15-6:45 AM KNX) Alexander Schreiner, organist, will be heard on the E. Power Biggs program playing Bach's "Fantasia in G Major," Maekel-bergh's "Fantasia in G Major," and Dupre's "Prelude and Fugue in B Major."

(8:30-9:00 AM KNX) The Salt Lake Tabernacle Choir sings the famous Schubert song, "Who is Sylvia?" also music of Stainer, Sullivan, Cruger and Bach.

(12:00 Noon-1:30 PM KNX) Charles Muench will conduct Ernest Bloch's "Concerto Grosso for String Orchestra and Piano Obligato," with Walter Hendl, as-

sistant conductor of the Philharmonic, at the piano. This presentation will be in observance of the fourth annual nationwide Jewish Music Festival. The remainder of the program consists of Berlioz' overture to "Benvenuto Cellini," Schubert's "Fifth Symphony" and Ravel's "Bolero."

(2:00-3:00 PM KMPC) The Sunday Symphony Hour.  
(4:00-5:00 PM KFAC) "Manfred—Symphonic Poem for Full Orchestra" by Tchaikovsky.  
(8:30-9:30 PM KFI) The Standard Hour.

MONDAY, FEBRUARY 9  
(4:00-5:00 PM KFAC) Khatchaturian's "Gayne Ballet Suite," Borodin's "Symphony in B Minor," and Schubert's "Overture in The Italian Style in C Major" make up the listening.  
(9:00-9:30 PM KFI) The Telephone Hour presents Gladys Swarthout, mezzo-soprano, a guest artist.

TUESDAY, FEBRUARY 10  
(4:00-5:00 PM KFAC) Walter Gieseking, pianist, plays the Beethoven "Concerto in C Major." Don't miss this splendid artist.

(8:00-10:00 PM KFAC) The Brahms "Tragic Overture," Chausson's "B Flat Major Symphony," and Mischa Elman, violinist, playing Faure's "Sonata in A Major."

WEDNESDAY, FEBRUARY 11  
(8:00-10:00 PM KFAC) Richard Strauss' "Death and Transfiguration," Stravinsky's "Rites of Spring" and Wagner's "The Fairies" are highlights of this worthwhile program.

## Garden Club Will Listen To "Mirandy"

The Sierra Madre Garden Club announces Mirandy will speak at the February meeting Monday evening, February 9th. Although Mirandy has proved herself a grand friend to thousands over the air, her personal appearance is an even greater pleasure, judging from reports of similar occasions.

Mirandy's radio career started with the Beverly Hill Billies 15

MIRANDY

years ago, where she earned the sobriquet, "The Rural Highness." The prize winning rose of the 1945 All-American Contest was named in her honor.

The dinner will be given as usual at the Masonic Temple at 6:30. Mirandy will speak on "Old Fashioned Gardens" and "Garden Philosophy." President Jacques Hahn will discuss "Your Garden for February."

### FLORENTINE GARDENS SCENE OF DUDLEY PARTY

Mr. and Mrs. George Dudley, 1150 Fallen Leaf Road, celebrated last week with a birthday dinner party for 10 at the Florentine Gardens, Hollywood. Their daughter and husband, Mr. and Mrs. J. T. Healey of San Jose, arrived Friday for the week end and left Monday for Palm Springs.

A flower garden on a flat car? Ruffled curtains in a train? Sure, and more besides if you have the curiosity and perseverance to walk the ties through the long windy draw of Santa Ana Canyon between Corona and Fullerton where a 65-car work train sits on a siding of the Santa Fe line.

A completely self-sufficient community of 170 men temporarily lives and works there. And so does Mrs. H. L. Stone, wife of the foreman of gang 118.

To call on her you must ascend flat car No. 195005 where geraniums are coming into bud in their white pots, where benches and a linoleum rug make an ideal traveling front porch.

"But you should have seen the garden last summer," insists Mrs. Stone like any other gardener.

During travel time the flat car is used to haul the gasoline putt-putts and other heavy work equipment. But as soon as the train is established and the gear removed, Mrs. Stone rearranges her mobile garden and puts up her clothes lines at the far end.

A couple of planks bridge the gap between garden and house which is a deluxe box car. Your entrance there will be argued by Snappy, the family dog, but he loses and you step in.

The interior is painted white, is scrupulously clean and is divided into three sections. First section is the kitchen where an oil stove and ice box perform their usual duties in a setting of starched curtains and bright decal designs.

Second and largest section is the living room with good-sized windows, neatly curtained, with a couch, chairs, a dining set and an oil heater. At one end are the pictures of the Stones' three grown children, two sailor sons and an attractive daughter.

At the other end of the room looms the upright piano.

"We really don't have much trouble when the car is moved," Mrs. Stone defends. "I did come in one time, though, and found the piano had fallen over on its face."

She pats it affectionately and pokes at the ivy draped along the top.

"But when we got it up there wasn't a thing wrong with it not even one tune."

The bedroom is the last section, bright as a pin, as ruffled

## RADIO FAMOUS COLORED SINGERS IN LOCAL CONCERT SUNDAY NIGHT

A concert will take place at the Congregational Church Sunday night February 8th at 7:30. It will be given by former members of "Wings Over Jordan" choir. They are National CBS radio artists you have heard for

as any woman could wish. Looking back from there through the entire car gives you a sense of real comfort and you tell Mrs. Stone so.

"We like it," she says. "We sold our home two years ago and with the way prices are now we can't find any reason for buying another."

No ma'am. With the way you've fixed this up there isn't any reason.

But keep an eye on the piano.

The whole huge work train is made up of three "extra" gangs stationed there for about a month to reballast the Santa Fe road bed, raise the grade and generally increase efficiency of that section which carries heavy freight and some passenger traffic.

Each gang has 55 laborers. They are housed in bunk cars, five men to a car, with cots, lockers and coal stoves. For each gang there is a shower car with six showers and laundry tubs.

Commissary and supply cars are like small Army PX's and the dining cars, two, have long tables down center with 55 set-ups for the evening meal.

But the cook car—ah! It is in charge of James Miller, middle-aged white-haired and a good cook. From one of the great coal

cars who will appear in person. The concert is sponsored by the U.S. Christian Commission of South Pasadena for the Chaplain Service to the Military Hospitals. A free will offering will be accepted.

range ovens he pulls out a pan big enough to take a bath in. "Macaroni and cheese," he announces. "Good dinner!" you enthuse. "That's nothing." And from the second oven he pulls out another pan. "Meat loaf," he grunts. "And I'm just startin'."

### MINNESOTA SIOUX NAME

The term "Minnesota" was first applied to the river of that name and probably means "cloud-tinted water". The word is of Sioux Indian origin.

### SEES LAKE IN 1934

Jean Nicolet is credited with being the first white man to navigate Lake Michigan. Sent west by Champlain on a voyage of exploration, he threaded his way in a birch canoe thru the Straits of Mackinac and discovered Lake Michigan in the summer of 1634.

### STRANGE MEANINGS

The word "pencil" originally meant a small, fine-pointed brush used in painting. The finer camel's hair and sable brushes used by artists are still called "pencils," and the word is derived from a Latin term meaning "little tail."
